SWEKSHA ELEVATORS

THE COMPLETE ELEVATOR SYSTEM

PRODUCTS PORTFOLIO

SWEKSHA ELEVATORS: A leading Manufacturer, Exporter and Supplier of Automatic Doors, Gearless Machine, Elevator Gearless Machine, Gearless Elevator Machines and more, KPO TECHVENTURES PRIVATE LIMITED. is a remarkable name in the global market. We are an ISO 9001-2008 certified firm offering quality at best prices within the stipulated time frame. Since 2009, we are regarded as a single destination of perfection and excellence. We are backed by a sound manufacturing unit and experienced engineers that help us in the designing of advanced technology products. We have developed a huge warehouse to fulfill the bulk needs of the clients in no time. Our efficient packaging and logistic facilities aid us in the safe delivery of the products to the clients destination.

Sweksha Elevator is identified as that of a manufacturers. Engineered for comfort, safety and energy efficiency, SWEKSHA provides truly reliable and efficient transport systems that represent a new level of riding comfort for passengers. SWEKSHA is a highly specialised company dedicated solely to the design and manufacture of elevator and escalator systems. Designed, material control and production at SWEKSHA are all executed with the aid of our highly advanced computer aided design and manufacturing systems. The manufacturing process at SWEKSHA is based on our understanding that the quality of product is as good as the materials and components from which it is made.

The SWEKSHA design team consists of highly skilled and experienced engineers, backed by an experienced and dedicated workforce who take exceptional pride in their product and work. These resources maintains SWEKSHA position at the forefront of technology and innovation in elevator and escalator systems.

PRODUCT RANGE

PRODUCT RANGE

Elevators Type

- Passenger Automatic Lift.
- Panormic / Capsule Lift.
- Hospital / Stretcher Lift.
- Industrial / Goods Lift.

Range Of Doors

- Center Opening Automatic Doors.
- Telescopic Sliding Automatic Doors.
- Glass Penal Automatic Doors.
- Collapsible Doors.
- Imperforated Doors.
- Wooden / Steel / Glass Swing Doors.
- Steel / Glass Telescopic Sliding Doors.

Machines Types

- Bottom Traction.
- Single Shaft Traction M/c.
- Gearless Permanent Magnet.
- Over Speed Governor.

ELEVATORS

Elevators are the main transportation arteries in the modern building and are vital in determining a building's economic success.

We manufacture all types of passenger lifts of different capacity and speed. Our latest passenger lifts comprises of VVVF Close loop microprocessor Controller with sophisticated steel cage & latest electronic components for minimum and easy maintenance as well as low power consumption as per today's need. We offer different types of cabins using material such as M.S., S.S., and Aluminium etc., We provide latest version of Auto Door for cabin and landings etc.

HOIST WAY MACHINE ROOM SIZE

We provide a complete range of freight elevators of different load carrying capacity. An SWEKSHA freight elevator in your building will make handling of goods easy, enhancing production. We supply freight elevators with dust proof equipments as per our customer's requirements.

Directly and indirectly, modern freight elevators make for efficient operation throughout a building. The results of properly planned freight elevator installation show up in increased power.
